Dear Mrs Manley:-

Thanks for your letter and I beleive that we have all the details of what you want in fine shape now and that you will be all set by the time the actual season opens if not long before that time. I know the factory will make every effort to speed deliveries.

When you do get ready for the new uniforms you can know that I will be at your service -- and I sort of more than expect you to have an even better season that in 1944.

Very best of wishes to both Abe and yourself,

Sincerely
